## Experience

The Iron Yard – Atlanta, GA (September 2015 to December 2015)

### *Front End Engineering Student*

- Completed a 12-week immersive course in Front End Engineering.
- Acquired relevant skills in JavaScript (ES5 & ES6), HTML5 and CSS3.
- Worked with fellow Front End Students, as well as Back End and Mobile iOS students, to build web applications from the ground up.
- Learned key concepts behind the code we wrote, enabling us to branch out and pick up coding languages on our own.

Sam Flax Art & Design – *Custom Framing Consultant* (February 2011 to September 2015)  
Atlanta, GA

- Negotiated high-end sales with customers on a daily basis; contributed to shop operations including maintaining inventory and production of frames; assisted in annual inventory; created a draft website for the framing department; key member in establishing a custom printing department through on site visits and product research
- 6-time Employee of the Month and 2012 Employee of the Year.
- Contributed 32% of \$1.7mil in sales during employment.
- Consistently received positive feedback from clients that were passed through upper management.
- Worked with local non-profits to frame artwork for charity auctions.

Michaels Arts & Crafts – *Custom Framing Consultant* (August 2009 to February 2011)  
Tallahassee, FL and Atlanta, GA

- One-on-one customer sales in framing; cashier; routinely performed stock replenishment; helped customers locate products in the store; educated customers and fellow employees on use of store merchandise.
- Customer service award received in Tallahassee, FL.

Cost Plus World Market – *Sales Associate* (October 2010 to January 2010)

- Holiday store merchandising and replenishment; opening and closing functions including counting cash drawers, and general cleaning and recovery.

Florida State University

### *Bachelor of Fine Arts in Studio Art*

- Graduated August 2010, GPA 3.5
- Awarded the Ed Love Sculpture Award and the McLachlin Memorial Endowed Scholarship for excellence in fine arts.
